The Rhododendron
Appalachian State
Teachers College
Boone, North Carolina

Memories of 1946

as revealed day by day at
Appalachian and recorded
by the Rhododendron staff.

DEDICATION

To Miss Gail Clay, *our friend and teacher, we take great pleasure in dedicating the* 1946 *edition of the* Rhododendron. *Her enthusiastic interest in girls' intramural sports, her tireless efforts toward the promotion of the evening recreational program, and her genuine interest in the student body, of which she was once a part, is proof of her merit of this dedication. May this deed on our part reflect in some small way our heart-felt gratitude to Miss Clay for the services she has rendered us in this, her first year on our faculty.*
